

Have you heard about the Be a Scout Website???

Anyone can go to the site to find Scouting in their area. Once they fill in the boxes and click "GO" it'll bring up a Google map with pins for each local unit. If your unit's data is updated, they'll get your contact info and meeting place!

We'd like all unit leaders should go into their "myscouting" account, look at the bottom of unit tools on the left, click the BeAScout link, and update the information for their unit.

Then check out <https://beascout.scouting.org/> and do a search to see your unit has been updated properly.

The Adventure starts now!
The adventure starts with Cub Scouting, a year-round family program designed for boys in the 1st through 5th grades, or 7 to 10 years of age. The program emphasizes shared leadership, learning about the community, family understanding, character development, citizenship training, and personal fitness.

Cub Scouts Young boys grow up fast. Give your son a valuable gift by encouraging him to join Cub Scouting today. The time you invest in him today will make a difference in the person he becomes tomorrow.
